[^0]At the November 10, 2016 meeting, the Board approved allowing staff and the consultant, for a six month period ending with the April 13, 2017 Board meeting, to (i) rebalance outside the target ranges set forth in the Investment Policy Statement or (ii) terminate managers for rebalancing purposes, in both situations where prior approval of the Board is not possible.

The following rebalancing for cash flow purposes was implemented in November with the Public Equity asset class allocation below the low end of the target range.
$\left.\begin{array}{lllc}\hline & & & \text { Date Redemption } \\ \text { Manager } & \text { Asset Class } & \text { Amount } & \$ 15,000,000 \\ \text { Approved }\end{array}\right] 11 / 16 / 2016$
