Subject: Dallas Police and Fire Pension System Trustee Overview

The Composition for the Board of Trustees is as follows:

- Six trustees selected by the Mayor, in consultation with the City Council.
- Three trustees elected by active members and pensioners from a slate of nominees selected by the Nominations Committee. The Nominations Committee is made up of one representative from each of the 11 police and fire associations named in HB 3158.
- One police representative (active or retired) to be elected by active members.
- One fire representative (active or retired) to be elected by active members.

We are seeking interest from potential candidates to run for the Police Officer Trustee and Fire Fighter Trustee positions. The term ends for both positions on August 31, 2023.

The Police Officer Trustee and Fire Fighter Trustee can be either an active or former member of DPFP. However, only active members are allowed by 6243a-1 to vote in the election that corresponds with their role as a Police Officer or Fire Fighter.

The Board has the responsibility and latitude to adopt many rules regarding the governance and administration of the pension system. However, some requirements are specified in 6243a-1. 6243a-1 requires that all trustees must have demonstrated financial, accounting, business, investment, budgeting, real estate, or actuarial experience. The Board has the responsibility to determine if candidates meet the experience requirement. The Board adopted a Trustee Election Procedure that has been provided as part of the application packet.

A trustee is not required to live in either the City or County of Dallas.

The following information is provided as a high-level overview of the role and commitment of being a trustee for DPFP.

Role and Responsibilities

A trustee is a fiduciary to the pension system. The duties of a fiduciary are governed by a number of state laws as well as federal tax law.

The Board of Trustees is responsible to administer the pension system, which includes investment of funds and payment of benefits. The Board has full power to make rules pertaining to the conduct of its meetings and the operation of the pension system as long as the rules are not inconsistent with the DPFPP pension plan which is found in 6243a-1 or other laws of the state of Texas or the United States, to the extent applicable. To assist in administering the pension system, the Board is required to appoint the Executive Director who is responsible for the day-to-day operations.

Please refer to the Responsibilities and Fiduciary Duties memorandum for additional information.

Time Requirements

The Board is required to meet at least once a month. The regular DPFPP monthly Board meeting is held on the second Thursday of the month at 8:30 am and generally lasts four to five hours. The Board may change the regular meeting date or call special meetings, as necessary. The need for special meetings has been very rare in the past few years.

Some trustees also currently serve on committees of the Board. 6243a-1 requires an Investment Advisory Committee, a majority of which may not be trustees. In addition, the Board has an Audit Committee and a Professional Services Committee. The time commitment of a trustee on these committees is minimal. The Board may choose to increase the use of committees and the role of trustees on the committees, which may increase the time commitment of a trustee.

Meeting Attendance Requirements

6243a-1 states that a trustee may be removed if they are absent, without an excuse approved by a majority vote of the Board for more than 40% of the meetings within a calendar year. 6243a-1 allows for Board meetings to be held with trustees attending via telephone conference call or video conference.

Education and Training

Certain training is required by law for all trustees. State law requires new trustees complete online Open Government Training within 90 days of being appointed. The Pension Review Board requires trustees complete the Minimum Educational Training (MET) Program within certain timeframes. 6243a-1 requires additional training not covered by the MET or Open Government training. Much of the training listed can be completed online. In addition, trustees need to ensure they are properly trained to carry out their duties as a trustee. The Board adopted a training and education policy, and annually adopts a budget which includes funds allocated to trustee training.

Compensation

Trustees receive no compensation from DPFP. 6243a-1 allows trustees to be reimbursed for expenses related to serving on the Board.

Potential Conflict Disclosure and Background Check

Potential conflicts are not a factor the Board will consider in determining if a candidate meets the qualifications required by 6243a-1. However, elected trustees are bound by the Board adopted Board of Trustees and Employees Ethics and Code of Conduct Policy. A list of current DPFP Investment Managers and other Services Providers has been provided for your information

Insurance

Trustees are currently covered under a fiduciary insurance policy. The policy provides coverage for acts taken as a trustee and contains normal exceptions to coverage such as fraudulent or bad faith actions.

Litigation

DPFP is a party to a number of litigation matters. While trustees are for the most part not defendants in their individual capacities, there was a case in the past where trustees were sued in their individual capacities, although the trustees were subsequently dropped from the case. While not likely, this may occur again in which case trustees may be required to spend personal time on such litigation.

Questions

If you have questions about DPFP or what a trustee's role would be, please feel free to contact Kelly Gottschalk, Executive Director, at 214-638-3863.

4. accept other employment or compensation or engage in a business or professional activity that could reasonably be expected to impair the System Representative's independence of judgment in the performance of the System Representative's official duties or that might reasonably be expected to require or induce the System Representative to disclose confidential information acquired by reason of the official position.

6. use official position for financial gain, obtaining privileges, or avoiding consequence of illegal acts.
7. have any direct or indirect pecuniary interest in a contract entered into by DPFPP other than an interest incidental to the System Representative's membership in a large class such as that of participants in DPFPP (this does not include investments in publicly traded index funds or mutual funds where the System Representative has no control over the selection of holdings).

D. Fiduciary Duties

1. Under Texas State statutes and applicable federal law and regulations, the System is a trust fund to be administered solely in the interest of the members and beneficiaries thereof for the exclusive purpose of providing benefits to members and beneficiaries and to defray reasonable expenses of DPF.
2. In the performance of these duties, all Fiduciaries are subject to the "prudent person" rule which requires that they exercise their duties with the care, skill, prudence, and diligence under the prevailing circumstances that a prudent person acting in a like capacity and familiar with matters of the type would use in the conduct of an enterprise with a like character and like aims. Further, all Fiduciaries shall maintain high ethical and moral character both professionally and personally, including interactions with other Trustees and DPF staff, such that the conduct of all Fiduciaries shall not reflect negatively upon the Board or DPF.
3. In making or participating in decisions, Fiduciaries shall give appropriate consideration to those facts and circumstances reasonably available to the Fiduciary which are relevant to the particular decision and shall refrain from considering facts or circumstances which are not relevant to the decision.
4. Investment decisions of Fiduciaries must be made in accordance with the approved Investment Policy Statement of the System.
5. As a Fiduciary, each Trustee shall adhere to the following:
 - A. A Trustee's loyalty must be to the members and beneficiaries of the System and not to the source of his or her appointment. A Trustee must exercise care and caution always to place the interest of members and beneficiaries ahead of the Trustee's own interest.
 - B. All members and beneficiaries of DPF are to be treated fairly and impartially. A Trustee's duty is to the members and beneficiaries of DPF as a whole and not to individuals or groups of individuals within DPF.
 - C. Trustees must possess the ability and willingness to dedicate the time required to satisfy the duties of serving as a Fiduciary. This includes but is not limited to possessing a complete understanding of the obligations and duty to act in accordance with plan documents, as well as having a substantive base of knowledge that contributes to sufficient analysis of recommendations by DPF staff and other professionals and fulfillment of fiduciary obligations. A Trustee is responsible for preparing himself or herself for Board work, including committee meetings.

D. Fiduciary Duties (continued)

- D. A Trustee shall treat executive session and closed meeting information as confidential.
 - E. A Trustee shall not give, disclose or provide access to any confidential information owned, obtained, or developed by DPFPP.
 - F. Trustees should delegate duties, when appropriate, and prudently select, instruct, and monitor all Vendors, Consultants, DPFPP staff, and agents to whom they delegate such duties.
6. No Trustee shall knowingly or negligently participate in the breach of fiduciary duty by another fiduciary, participate in concealing such breach, or knowingly or negligently permit such breach to occur or continue.

E. Conflicts of Interest and Prohibited Transactions

- 1. Certain transactions by System Representatives of DPFPP are strictly prohibited, specifically:
 - A. Compensation from any person in connection with any action involving assets of DPFPP.
 - B. Participation in a decision or action involving any asset or benefit for personal interest.
 - C. The purchase, sale, exchange or leasing of property with DPFPP if that System Representative holds an interest in the property.
 - D. The purchase, sale or exchange of any direct investment with DPFPP if that System Representative holds an interest in the investment.
 - E. Causing the Fund to engage in any of the prohibited transactions described herein with any immediate relative or business associate of the System Representative, any other Trustee, employee, custodian, or counsel to DPFPP, any other Fiduciary, any person providing services to DPFPP, any employee organization whose members are covered by DPFPP, or the City of Dallas and its officers, officials and employees.

E. Conflicts of Interest and Prohibited Transactions (continued)

2. In addition, any goods, services, or facilities furnished by DPFPP to any person shall be used for the exclusive benefit of DPFPP unless reasonable consideration is received by the System for the use of the goods, services, or facilities.
3. Black-Out List for Investment Entities
 - A. For purposes of this subsection, “Investment Entity” means an investment firm, partnership, fund, advisor, consultant, placement agent or owner of property that is being considered for purchase.
 - B. The Chief Investment Officer shall maintain and periodically update as
 - C. appropriate a list (the “Black-out List”) of Investment Entities that meet any of the following criteria:
 - i. The Investment Entity is under consideration by DPFPP staff for a recommendation to the Board or the Board’s Investment Advisory Committee on a mandate, commitment, increased allocation or any retention for investment-related services (exclusive of rebalancing);
 - ii. The Investment Entity is under consideration by the DPFPP staff for a recommendation to the Board or the Investment Advisory Committee to decrease the allocation to the Investment Entity (exclusive of rebalancing) or to discontinue use of the Investment Entity, provided, however, this shall not include any Investment Entity where the assets managed by the Investment Entity that are being considered to be reduced in whole or in part are contained within an asset class where the actual assets held by DPFPP are higher than the target allocation for such asset class in the Investment Policy Statement; or
 - iii. The Investment Entity is in negotiations with DPFPP for contractual terms after a conditional selection has been made.
 - D. During the first half of each month, the Chief Investment Officer shall supply the current Black-out List to Trustees and any DPFPP employees that, in the Chief Investment Officer’s opinion, might potentially be affected by this section (the “Affected Employees”). Additionally, prior to departure for DPFPP-related travel, Trustees and Affected Employees shall be issued the most current Black-out List.

E. Conflicts of Interest and Prohibited Transactions (continued)

- E. Notwithstanding any other DPFPP policies, including those in this Policy concerning Benefits or Gifts, while an Investment Entity's name appears on the Black-out List, Trustees and Affected Employees and their immediate relatives shall not accept payment, reimbursement, complimentary admission or similar extension or subsidy for food, lodging, travel or entertainment, including any Permitted Benefit or Gift, from any person or entity identified or affiliated with said Investment Entity, including, without limitation, any placement agent of an Investment Entity (an "Investment Entity Representative"), except for:
- i. food and beverages that would be typically or conventionally provided by a business host in connection with a business meeting and that are provided by the host at its place of business during a due diligence visit;
 - ii. food and beverages provided at regularly scheduled Investment Entity annual meetings or advisory committee meetings; and
 - iii. food and beverages provided at educational conferences where such food and beverages may be sponsored by an Investment Entity, but are available to all conference attendees.
- F. Trustees shall not reciprocate communications from an Investment Entity Representative about the Investment Entity outside of committee or Board meetings ("ex-parte communications").
4. A System Representative shall report to the Executive Director any business relationship with a current or prospective Vendor on a signed document upon establishment of such relationship if the System Representative knows or should know that the person or entity is a current or prospective Vendor for DPFPP.¹ Upon receipt of such information, the Executive Director will as promptly as practicable report apprise the Board of the facts involved.
 5. A Trustee shall not lobby against legislative proposals pertaining to DPFPP pension issues and benefits that have been duly approved by the Board or an authorized committee of the Board.
 6. A System Representative shall not disclose any information deemed confidential by DPFPP.

¹ Chapter 176, Texas Local Gov't Code.

E. Conflicts of Interest and Prohibited Transactions (continued)

7. Other than as a member or beneficiary of DPF, a System Representative may have no conflict of interest during such System Representative's tenure with DPF and for one year after tenure ends, such that System Representative shall comply with the provisions of this Policy during such System Representative's tenure, and a System Representative shall not, during such System Representative's tenure with DPF and for one year after such tenure ends, represent any Third Party in any formal or informal appearance before the Board or DPF staff. DPF will not enter into or renew an existing contract with any Vendor during the one year period after the System Representative's tenure with DPF if such Vendor employs or is represented by the System Representative unless the Board determines that such a restriction would not be in DPF's best interest
8. Nothing in this Section shall exempt any System Representative from applicable provisions of any other laws. The standards of conduct set forth in this Section are in addition to those prescribed elsewhere in this Policy and in applicable laws and rules.

F. Gifts, Travel and Expenses

1. System Representatives shall not solicit any Benefit or Gift, including a Permitted Benefit or Gift, from any source which is a current or prospective Vendor of DPF. All Trustees and Key Staff of DPF shall exercise care in accepting any Permitted Benefit or Gift from any source, particularly those sources which are current or prospective Vendors of the System.
2. System Representatives shall not accept from a Vendor or prospective Vendor a Benefit or Gift that is not a Permitted Benefit or Gift. Any Benefit or Gift to a System Representative that is not a Permitted Benefit or Gift shall be returned to its source whenever possible or donated to a suitable charitable organization upon its receipt.
3. If a System Representative has a relationship with a Vendor or prospective Vendor (the "Prior Relationship") which predates the System Representative's relationship with DPF, then the System Representative may disclose to the Board the Prior Relationship and Benefits or Gifts previously received from the Vendor or prospective Vendor (the "Prior Benefits or Gifts") due to the Prior Relationship. The Board may determine that future Benefits or Gifts received by the System Representative that are similar to the Prior Benefits or Gifts are the result of the continuation of the Prior Relationship and shall be deemed a Permitted Benefit or Gift and no further reporting obligation shall be required. If the Board has deemed a Benefit or Gift from a vendor or prospective

F. Gifts, Travel and Expenses (continued)

- Vendor a Permitted Benefit or Gift due to a Prior Relationship as described in the sentence above, a System Representative shall report to the Board any Benefit or Gift received from such Vendor or prospective Vendor which would not reasonably be considered similar to the Prior Benefits or Gifts. The Board may require recusal of a System Representative from discussion of any matter that directly or indirectly involves a Vendor or prospective Vendor with whom such System Representative has a Prior Relationship.
4. No System Representative shall receive any Permitted Benefit or Gift through an intermediary, if the person knows, or has reason to know, that the Permitted Benefit or Gift has originated from another source.
 5. In no event shall any System Representative accept a Permitted Benefit or Gift if the source of the Permitted Benefit or Gift is not identified. If the source of any Permitted Benefit or Gift cannot be ascertained, the Permitted Benefit or Gift shall be donated to a suitable charitable organization.
 6. Under no circumstances shall a System Representative accept a cash Gift.
 7. In no event shall any System Representative accept any expenses related to travel, other than working meals or ground transportation, the purpose of which is to determine the selection of new Vendors or to determine the assignment of continuing or additional business to existing Vendors.

G. Examples of Situations That Involve a Permitted Benefit or Gift²

1. Permitted Benefit or Gift or No Benefit or Gift Provided (and Reporting Required in Certain Situations)
 - A. A Vendor (not currently in a search) invites a System Representative to attend a sporting event at no cost to the System Representative. The Vendor and the System Representative both attend the event. Because the Vendor accompanies the System Representative to this event, the event is a Permitted Benefit or Gift. However, for purposes of Chapter 176, whether the event has to be reported depends on the whether the value of the sporting event and the value of any Gift, including transportation, lodging or entertainment received by the System Representative from the Vendor in the applicable 12-month period (as described in Chapter 176) would, in the aggregate, exceed \$100.

² In all scenarios, the Vendor does not have a separate employment or other business relationship with the System Representative or the System Representative's family member (see Chapters 171 and 176 for details).

G. Examples of Situations That Involve a Permitted Benefit or Gift³ (continued)

- B. A Vendor (not currently in a search) invites several System Representatives to a dinner at a restaurant. The Vendor and the System Representatives attend the dinner. Because the Vendor accompanies the System Representatives to the dinner, the dinner is a Permitted Benefit or Gift.
- C. While attending a conference, a System Representative attends a reception sponsored and attended by Vendors (none of which currently are in a search). Because the reception is widely attended and the Vendors are present, the reception is a Permitted Benefit or Gift.
- D. While attending a conference, a System Representative and all other attendees of the conference receive a bag with various items and the aggregate value of the items is under \$50 (including taxes). Because the value of the gift bag is under \$50, the gift bag is a Permitted Benefit or Gift. Whether these items must be reported under Chapter 176 depends on whether the items are from a specific Vendor or prospective Vendor and whether that Vendor has provided other gifts within the applicable 12-month period (as described by Chapter 176) that would, in the aggregate, exceed \$100.
- E. A System Representative realizes that seven months ago, he participated in a golf outing valued at \$175 as a guest of a company who had representatives at the golf outing. The company, however, now enters into a contract with DPF in the current month. The System Representative did not know at the time of the golf outing that the company or DPF was considering entering into the contract. Because representatives of the company were in attendance at the golf outing, the outing was a Permitted Benefit or Gift, even though the outing was over \$50. However, because the golf outing was valued at over \$100, it must be reported under Chapter 176 because the System Representative received a Gift from the Vendor during the 12-month period preceding the date that he became aware that a contract with the Vendor had been executed.
- F. A System Representative and her spouse attend a professional basketball game as guests of a company with representatives of the company present. The value of the tickets is over \$100. Six months later, the System Representative becomes aware that DPF and the company are considering entering into a contract, even though no contract is being entered into at such time. Because the basketball

³ In all scenarios, the Vendor does not have a separate employment or other business relationship with the System Representative or the System Representative's family member (see Chapters 171 and 176 for details).

G. Examples of Situations That Involve a Permitted Benefit or Gift⁴ (continued)

game was attended by a representative of the company, the basketball game was a Permitted Benefit or Gift, even though the value was over \$50. However, because the tickets were valued at over \$100, it must be reported under Chapter 176 because the System Representative received a Gift from the Vendor during the 12-month period preceding the date that she became aware that DPFP and the Company were considering entering into a contract.

- G. While attending a conference, a System Representative and all other attendees of the conference receive an item such as a shirt/sweater or briefcase type bag with the Vendor's name on it. Because items with Vendors' logos and/or company name generally are advertising and do not have retail value, no Benefit or Gift is provided.
 - H. A System Representative attends a conference as a speaker and in return the conference pays for transportation, meals and lodging. This is a permitted honorarium, and no Benefit or Gift is provided. Whether the honorarium must be reported under Chapter 176, depends on whether the transportation, meals and lodging are from a current or prospective Vendor and whether that Vendor has provided other gifts within the applicable 12-month period (as described in Chapter 176) that would, in the aggregate, exceed \$100.
2. Benefit or Gift Provided that is Not Permitted
- A. A Vendor (not currently in a search) invites a System Representative to attend a sporting event at no cost to the System Representative, but does not plan on attending the event. Because the Vendor does not attend the event with the System Representative, a Benefit or Gift is provided that is not permitted.
 - B. A System Representative, while attending a conference, wins a raffle sponsored by the conference. The prize is \$25 cash. The System Representative may not accept the cash, as it is a Benefit or Gift that is expressly prohibited under Section F.5.
 - C. A System Representative, during the Christmas Holidays, receives a pen and pencil set from a Vendor. The value of the set is obviously over \$50 (including taxes). Because the value of the pen and pencil set is over \$50, the pen and pencil set is a Gift that is not permitted and should be returned to the Vendor, or if return is not possible, donated to a charitable organization.

⁴ In all scenarios, the Vendor does not have a separate employment or other business relationship with the System Representative or the System Representative's family member (see Chapters 171 and 176 for details).

H. Undue Influence

1. Trustees recognize that, by virtue of their position of authority with the System, may have Undue Influence on DFPF staff or Consultants when communicating directly with such staff or Consultants.
2. Individual Trustees shall refer all proposals or other communications regarding potential or existing investments or other contracts or services, or matters involving general System operations, directly to the Executive Director or his or her designee and shall not communicate as to such matters with other DFPF staff or Consultants.

The Vice Chairman is authorized to call an ad hoc committee of four (4) Trustees who are not the subject of the allegation to review the alleged violation and make recommendations to the Board for resolution of the matter.

CHAPTER 171. REGULATION OF CONFLICTS OF INTEREST OF OFFICERS OF MUNICIPALITIES, COUNTIES, AND CERTAIN OTHER LOCAL GOVERNMENTS

Sec. 171.001. DEFINITIONS. In this chapter:

(1) "Local public official" means a member of the governing body or another officer, whether elected, appointed, paid, or unpaid, of any district (including a school district), county, municipality, precinct, central appraisal district, transit authority or district, or other local governmental entity who exercises responsibilities beyond those that are advisory in nature.

(2) "Business entity" means a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust, or any other entity recognized by law.

Sec. 171.002. SUBSTANTIAL INTEREST IN BUSINESS ENTITY. (a) For purposes of this chapter, a person has a substantial interest in a business entity if:

(1) the person owns 10 percent or more of the voting stock or shares of the business entity or owns either 10 percent or more or \$15,000 or more of the fair market value of the business entity; or

(2) funds received by the person from the business entity exceed 10 percent of the person's gross income for the previous year.

(b) A person has a substantial interest in real property if the interest is an equitable or legal ownership with a fair market value of \$2,500 or more.

(c) A local public official is considered to have a substantial interest under this section if a person related to the official in the first degree by consanguinity or affinity, as determined under Chapter [573](#), Government Code, has a substantial interest under this section.

Sec. 171.0025. APPLICATION OF CHAPTER TO MEMBER OF HIGHER EDUCATION AUTHORITY. This chapter does not apply to a board member of a higher education authority created under Chapter [53](#), Education Code, unless a vote, act, or other participation by the board member in the affairs of the higher education authority would provide a financial benefit to a financial institution, school, college, or university that is:

(1) a source of income to the board member; or

(2) a business entity in which the board member has an interest distinguishable from a financial benefit available to any other similar financial institution or other school, college, or university whose students are eligible for a student loan available under Chapter [53](#), Education Code.

Sec. 171.003. PROHIBITED ACTS; PENALTY. (a) A local public official commits an offense if the official knowingly:

- (1) violates Section [171.004](#);
 - (2) acts as surety for a business entity that has work, business, or a contract with the governmental entity; or
 - (3) acts as surety on any official bond required of an officer of the governmental entity.
- (b) An offense under this section is a Class A misdemeanor.

Sec. 171.004. AFFIDAVIT AND ABSTENTION FROM VOTING REQUIRED. (a) If a local public official has a substantial interest in a business entity or in real property, the official shall file, before a vote or decision on any matter involving the business entity or the real property, an affidavit stating the nature and extent of the interest and shall abstain from further participation in the matter if:

- (1) in the case of a substantial interest in a business entity the action on the matter will have a special economic effect on the business entity that is distinguishable from the effect on the public; or
- (2) in the case of a substantial interest in real property, it is reasonably foreseeable that an action on the matter will have a special economic effect on the value of the property, distinguishable from its effect on the public.

(b) The affidavit must be filed with the official record keeper of the governmental entity.

(c) If a local public official is required to file and does file an affidavit under Subsection (a), the official is not required to abstain from further participation in the matter requiring the affidavit if a majority of the members of the governmental entity of which the official is a member is composed of persons who are likewise required to file and who do file affidavits of similar interests on the same official action.

Sec. 171.005. VOTING ON BUDGET. (a) The governing body of a governmental entity shall take a separate vote on any budget item specifically dedicated to a contract with a business entity in which a member of the governing body has a substantial interest.

(b) Except as provided by Section [171.004](#)(c), the affected member may not participate in that separate vote. The member may vote on a final budget if:

- (1) the member has complied with this chapter; and
- (2) the matter in which the member is concerned has been resolved.

Sec. 171.006. EFFECT OF VIOLATION OF CHAPTER. The finding by a court of a violation under this chapter does not render an action of the governing body voidable unless the measure that was the subject of an action involving a conflict of interest would not have passed the governing body without the vote of the person who violated the chapter.

Sec. 171.007. COMMON LAW PREEMPTED; CUMULATIVE OF MUNICIPAL PROVISIONS. (a) This chapter preempts the common law of conflict of interests as applied to local public officials.

(b) This chapter is cumulative of municipal charter provisions and municipal ordinances defining and prohibiting conflicts of interests.

Sec. 171.009. SERVICE ON BOARD OF CORPORATION FOR NO COMPENSATION. Sec. 171.010. PRACTICE OF LAW. (a) For purposes of this chapter, a county judge or county commissioner engaged in the private practice of law has a substantial interest in a business entity if the official has entered a court appearance or signed court pleadings in a matter relating to that business entity.

(b) A county judge or county commissioner that has a substantial interest in a business entity as described by Subsection (a) must comply with this chapter.

(c) A judge of a constitutional county court may not enter a court appearance or sign court pleadings as an attorney in any matter before:
